Chapel Allerton Orthopaedics in partnership with ISKSAA proudly presents

# GREAT NORTH DEBATE

*Hip & Knee*

and the ISKSAA 2025 Annual Meeting

Join us for the inaugural Great North Debate, in partnership with ISKSAA, as we explore the latest hot topics in hip and knee surgery. Experience groundbreaking discussions, pioneering insights, and innovative solutions that are transforming patient care.

**Elevate your practice.  
Be part of the Great North Debate.**

## Who should attend?

Consultants, Trainees, Physiotherapists and Allied Health Professionals with an interest in Hip and Knee surgery.

## Why attend?

**Update on latest management (both operative and rehabilitation) strategies for:**

Primary and revision hip and knee arthroplasty  
Soft tissue knee surgery  
Young adult hip surgery

**Case discussions and debates with leading experts**

**ROBOT WARS**

## Topics?

- Alignment philosophies in knee arthroplasty
- Periprosthetic joint infections
- Periprosthetic fractures
- Complex primary and revision hip and knee arthroplasty
- Day case arthroplasty
- Role of ODEP and Beyond Compliance
- Hip impingement and arthroscopy
- Unicompartmental knee disease
- ACL injuries- update on surgical techniques and rehabilitation
- Knee ligament, meniscus and chondral pathologies
- Patellofemoral pain and instability
- Hip and knee rehabilitation strategies
