

26th - 27th June 2025 | Cloth Hall Court, University of Leeds

Chapel Allerton Orthopaedics in partnership with ISKSAA proudly presents

GREAT NORTH DEBATE

Hip & Knee
and the ISKSAA 2025 Annual Meeting

Join us for this inaugural meeting where leading Orthopaedic Hip and Knee Surgeons gather to explore the future of robotic surgery. Witness groundbreaking discussions, cutting-edge insights, and innovative solutions that are transforming patient care.

Elevate your practice. Be part of the Great North Debate.

Who should attend?

Consultants, Trainees, Physiotherapists and Allied Health Professionals with an interest in Hip and Knee surgery.

Why attend?

Update on latest management strategies for:

- Hip and knee, primary and revision arthroplasty, soft tissue knee surgery
- Young adult hip surgery
- Case discussions and debates with leading experts
- Learn new techniques including role of DAA THR, Kinematic alignment TKR
- Robotic surgery, Hip resurfacing, UKR
- Revision THR and Revision TKRs (ETO, TTO, Extensor mechanism allograft)
- Cementless TKR and UKR, use of megaprosthetic replacements

Topics?

- Primary Total Knee Arthroplasty Alignment Philosophies
- Revision Knee Arthroplasty
- Unicompartmental knee replacements
- Young adult hip
- Soft tissue knee
- Primary hip arthroplasty
- Revision hip arthroplasty
- Primary Knee Arthroplasty
- Trauma and arthroplasty
- Periprosthetic joint infection
- Patellofemoral joint replacements

FACULTY:

Mr Adil Adjued
London

Mr Oday Al-Dadah
Newcastle

Mr Abtin Alvand
Oxford

Mr Adeel Aqil
Huddersfield

Ms Anna Anderson
Leeds

Mr Mark Andrews
York

Mr Tanveer Ashraf
Birmingham

Mr Colin Ayre
Bradford

Prof Paul Baker
Middlesbrough

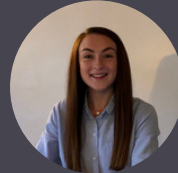

Mr Rahul
Bhattacharyya
London

Prof Leela Biant
Manchester

Mr Ben Bloch
Nottingham

Ms Hayley Carter
Derby

Mr Sebastian
Dawson-Bowling
London

Prof Max Fehily
Manchester

Mr Anil Gambhir
Wrightington

Mr Chim Gupte
London

Prof Fares Haddad
London

Prof Caroline Hing
London

Mr Sam Jain
Leeds

Mr Nick Kalson
Newcastle

Prof Vijay Kumar
New Delhi, India

Mr David Langton
Newcastle

Dr Vicente J.
León-Muñoz
Murcia, Spain

Mr Josh Lamb
Wrightington

Prof Nick London
Harrogate

Mr Ajay Malviya
Northumbria

Mr Mike McNicholas
Liverpool

Prof Andy Metcalfe
Nottingham

Mr Nick Nicolau
Sheffield

Mr Rohit Rambani
Peterborough

Dr Charles Riviere
Bordeaux, France

Ms Claire
Robertson
London

Mr Saif Salih
Sheffield

Mr Akash Sharma
Birmingham

Mr Alasdair Santini
Liverpool

Mr Pete Thompson
Coventry

Mr Ben Van Duren
Leeds

Mr Owen Wall
Leeds

Mr Graham Walsh
Huddersfield

and the ISKSAA 2025 Annual Meeting

Hip & Knee

Thursday 26th June - Provisional programme subject to change

08.00 REGISTRATION & COFFEE - Merchants Hall

08.30 INAUGURATION & ISKSAA WELCOME - Herringbone room

ROOM: Herringbone

PRIMARY TOTAL KNEE ARTHROPLASTY: CURRENT CONCEPTS
Moderator : **Mr Jeya Palan**

08.45 Coronal plane alignment in knees: Is CPAK enough?
Prof Hemant Pandit

09.00 Different alignment philosophies for knee replacement.
Prof Fares Haddad

09.15 Why do I do Kinematic alignment? **Dr Charles Riviere**

09.30 Why I do Mechanical alignment? TBC

09.45 PANEL DISCUSSION

ROOM: Tweed

FREE PAPERS SESSION 1
Moderator: Mr Sandeep Kohli

08.45 - 10.00

ROOM: Herringbone

INDUSTRY SESSION

10.00 - 10.30

ROOM: Tweed

INDUSTRY SESSION

10.00-10.30

10.30 COFFEE & INDUSTRY EXHIBITION - Merchants Hall

ROOM: Herringbone

COMPLEX AND REVISION KNEE ARTHROPLASTY: PART 1
Moderators : **Mr Adeel Aqil & Dr Charles Riviere**

11.00 Post traumatic OA with severe bone loss and retained metalwork. **Prof Paul Baker**

11.15 Severe deformities around the knee. **Prof Vijay Kumar**

11.30 The problem TKR? Diagnosis and investigation.
Mr Ben Bloch

11.45 Instability after TKR. **Mr Alasdair Santini**

12.00 Explant analysis, metal ions, genetics and outcomes: national research study. **Mr David Langton**

12.15 PANEL DISCUSSION: Cases

ROOM: Tweed

YOUNG ADULT HIP
Moderator: **Mr Colin Holton**

11.00 Hip arthroscopy- setup and labral repair. TBC

11.15 Hip arthroscopy- FAI management. **Mr Ben Van Duren**

11.30 Hip Arthroscopy- Tips and tricks. **Prof Max Fehily**

11.45 Femoral osteotomy. **Mr Saif Salih**

12.00 Periacetabular osteotomy (PAO). **Mr Ajay Malviya**

12.15 PANEL DISCUSSION

12.30 - 13.15 GROUP 1 - LUNCH & INDUSTRY EXHIBITION - Merchants Hall

12.30 - 13.15 GROUP 2 - INDUSTRY WORKSHOP
13.15 - 14.00 GROUP 1 - INDUSTRY WORKSHOP

13.15 - 14.00 GROUP 2 - LUNCH & INDUSTRY EXHIBITION - Merchants Hall

26th - 27th June 2025 | Cloth Hall Court, University of Leeds

Hip & Knee

Thursday 26th June - Provisional programme subject to change

ROBOT WARS ROBOT WARS

ROOM: Herringbone

14.00 - 15.30

EVALUATING THE KEY FEATURES OF DIFFERENT ROBOTIC SYSTEMS FOR THR AND TKR - WHAT IS THE EVIDENCE BASE?

Moderators : **Prof Paul Baker & TBC**

J&J MedTech Velys (Mr Ben Bloch)

Medacta NEXTAR

Stryker Mako (Prof Fares Haddad)

Zimmer Biomet ROSA (Mr Akash Sharma)

15.30 TEA & INDUSTRY EXHIBITION - Merchants Hall

ROOM: Herringbone

PERIPROSTHETIC JOINT INFECTIONS

Moderators : **Mr Jeya Palan & TBC**

16.00 Biomarkers and diagnosis of PJI. **Dr Vicente J. León-Muñoz**

16.15 Role of an infection registry BAJIR: lessons learnt so far?
TBC

16.30 Role of a DAIR: Tips and tricks. **Mr Abtin Alvand**

16.45 Revision for PJI: 1 stage, 1.5 stage, 2 stage. TBC

17.00 MOCK infection MDT cases to discuss - **All speakers**
Microbiology & Radiology.

ROOM: Tweed

ROLE OF PHYSIOTHERAPY / AHP

Moderator: TBC

16.00 ACL rehab "Going through the motions". **Ms Hayley Carter**

16.15 OA knee and hip - "Back to school for improved outcomes".
Ms Anna Anderson

16.30 ACL rehab "Challenges implementing new rehab ideas within
the NHS". **Mr Colin Ayre**

17.15 Role of Advanced care practitioner. TBC

ROOM: Herringbone

GOVERNANCE AND PRACTICE

Moderators : **TBC**

17.30 Role of ODEP and Beyond Compliance. **Mr Rohit Rambani**

17.45 Day case arthroplasty. **Mr Graham Walsh**

18.00 DAY 1 CLOSE

19.30 - late CONFERENCE DINNER

Hip & Knee

Friday 27th June - Provisional programme subject to change

ROOM: Herringbone

COMPLEX AND REVISION KNEE ARTHROPLASTY: PART 2
Moderators : **Mr Alasdair Santini & TBC**

- 14.00** Periprosthetic fractures around a knee: Fix or replace.
Mr Jeya Palan
- 14.15** TKR with extensor mechanism deficit.
Dr Vicente J. León-Muñoz
- 14.30** Sleeves, Cones and stems in revision TKR. **Mr Ben Bloch**
- 14.45** Management of post-operative stiffness after TKR.
Mr Nick Kalson
- 15.00** PANEL DISCUSSION

ROOM: Tweed

SOFT TISSUE KNEE II: PATELLOFEMORAL PROBLEMS
Moderators: TBC

- 14.00** Anterior knee pain: Assessment. **Prof Caroline Hing**
- 14.15** Non op Management and rehab. **Ms Claire Robertson**
- 14.30** Surgical strategies for anterior knee pain: TTO.
Mr Sanjay Anand
- 14.45** PFJ instability: assessment and surgical management.
Mr Tanweer Ashraf
- 15.00** CASE BASED DISCUSSION

15.15 TEA & INDUSTRY EXHIBITION - Merchants Hall

ROOM: Herringbone

UNICOMPARTMENTAL KNEE ARTHRITIS
Moderators : TBC

- 15.45** HTO- considerations in planning and execution. TBC
- 16.00** Why do I do fixed bearing UKR? **Prof Nick London**
- 16.15** Why do I do mobile bearing UKR? **Mr Abtin Alvand**
- 16.30** Patellofemoral replacements: current evidence. TBC
- 16.45** PANEL DISCUSSION - When to do a HTO / UKR?

ROOM: Tweed

FREE PAPERS SESSION II
Moderators: TBC

15.45 - 17.00

ROOM: Herringbone

CLOSING CEREMONY
